Active Participation:

Active Pack participation is defined as at least 6 months in rank and payment of dues. Scouts may take "time off" for other activities. Please know that any activities completed at den/pack meetings that are missed will have to be made up at home and parents will have to make sure that the den leader is notified of date completed so that record can be made in Scoutbook.

Rank Advancements:

Cub Scouts are ranked based on age or grade, so they can work individually but most of the requirements will be completed at meetings and outings. Only leaders can sign off on requirements earned.

Rank Achievements:

Each rank has a set of required achievements that must be completed and at least one elective achievement in order to complete. All parents/guardians will have limited access to Scoutbook so that they may view and input completed achievement requirement dates.

Scout Accounts:

Each scout will have an individual account tracking all fees due & payments made. Receipts for any monies paid will also be given. At any time, parents may inquire about scout accounts, balances due or credits. If there are any concerns about financial issues, family members should speak directly to the Cubmaster. All concerns will be kept confidential.

Fundraising:

Several fundraisers are planned throughout the year. Participation is optional; however, most fundraisers will allow scouts to earn funds to apply directly to dues and/or other Scouting events (ie. Greenville Swamp Rabbit games, Monster Truck Rally, Greenville Drive games, etc.)

Adult Leader/Committee Member Training:

Throughout the year, council holds various training opportunities for registered adults. If you choose to participate in any of these training sessions, please know that the pack will pay for 50% of the training.
